February 20, 1948

Dear Doughten Dealer:

Here's good news . . . news that means more customers and more seed sales for you.

We at WOR are pleased to inform you that The DOUGHTEN SEED COMPANY of Jersey City will sponsor a new radio show on our station starting February 21st. The program called "Gardening with Gambling", will feature John Gambling, one of radio's most popular personalities.

Every Saturday morning, from 9:30 until 10 o'clock, "Gardening with Gambling" will be heard by thousands of lawn seed buying listeners. And this audience is going to be told about Doughten's FAITH Lawn Grass Seed. Mr. Gambling, whose active hobby is gardening, will have a guest on every broadcast.

We're enthusiastic about "Gardening with Gambling". In our opinion, it is going to be one of the best half-hour shows on any station. It's really your show, because it is designed to make FAITH Lawn Grass Seed a bigger producer for you this Spring.

Tell your customers about "Gardening with Gambling", and keep FAITH Lawn Grass Seed up front where it can be seen and bought. That's the way to really cash in on this powerful advertising.

Very sincerely,

R. C. Maddux
